

AGREEMENT TO CONNECT TO MUNICIPAL SANITARY SEWER

I understand that the property listed below has not undergone a Title 5 septic system inspection. I wish to forego the "time-of-transfer" septic system inspection required under Title 5 of the State Environmental Code as allowed under 310 CMR 15.301(4)(b). By signing this document I agree to connect this property to the municipal sanitary sewer within two years of the date of transfer. This requirement is binding on subsequent owners and shall expire upon completion of legal connection to the public sanitary sewer.
